Fly away from the monotony of everyday life with an exhilarating helicopter trip to the heart of Southern California's Wine Country. This flying wine tour is truly a four star adventure!

Luxury.

Musical background accompanies your flight, along with spontaneous narration by your knowledgeable, highly experienced pilot. From gentle liftoff to precise touchdown, Los Angeles Helicopters guarantees nothing but the very best.

Freedom.

Only 30 minutes from the centrally located Long Beach Airport, you will find yourself tasting award-winning wines at one of the top wineries in the region or enjoying a Champagne Jazz Concert at the historic Thornton Winery. Savor the delicious gourmet cuisine at world class restaurants or, for those who really need to get away, treat yourself to a relaxing massage at the South Coast Winery Resort & Spa. Whether you are a wine novice or the wine tour elite, we will create a magical getaway you will always remember.
